**When you purchase SSU right
do not forget about bonuses**

Special payments and taxes for subsurface users

- *signature bonus*: one time fixed payment of a subsurface user for the right to carry out activities on a contractual territory. Initial amount of signature bonus depends on various factors including the type of SSU contract, type of mineral resources and availability of approved reserves.

- *commercial discovery bonus* is paid by SSU contract for mining and (or) joint exploration and mining for each commercial discovery of minerals on the contract area.

The bonus is not applicable in case of the exploration contracts, which are not subject for further extraction
